

## 2024 I2SL Texas Chapter Annual Sponsorship Levels

The Texas Chapter of I2SL is asking for our ANNUAL SPONSORS to support our new chapter and be recognized as chapter supporters. We are planning quarterly meetings composed of technical presentations, laboratory tours, webinars, an Education Day and Holiday Party.

We seek to be a local resource and community for laboratories and other high-tech facilities comprised of building users, designers, builders and suppliers. Your support would be instrumental in supporting this exciting group. Annual sponsorships allow us to build our organization and offer upcoming events to existing and potential members at little or no cost.
